Technoligies
- Firebase Phone Authentication , Storage , RealtimeDB
- PushNotifications , UIKIT , CoreAnimation , MVC
- AppStore Link

Sober Counter
📅 2021

track your sobriety and add home screen with day count widgets.

Technologies
- Core Data , SwiftUI , WidgetKit , MVVM
- AppStore Link

MVVM_T
📅 2021

riding app like uber , This Application for discussing advanced topics and clean code techniques , also has a very flexible way to change any layer of the app without breaking any other part , every part can be reuse

Technologies
- Combine , UIKit , MVVM , CoreData , DependencyGraph , DependencyContainerClass , RepositoryPattern , SOLID Principles Github Repo

Zelda
📅 2021 - Ongoing

Find new job using your current location , and you can add max destination by KMs , you search using SpeechRecognition technology , this app provide a wonderful user experience with a lot of smooth animation transitions , and modern UI design (Still in Progress)

Technologies
- SwiftUI , Combine , Firebase , CoreLocation , MapKit Github Repo

TennisScoreKeeping
📅 2021

I have joined developers of this app , my role is creating firebase backend code , and 70% of Interface

Technologies
- SwiftUI , Firestore , Firebase Storage , Firebase Auth
- Github Link

EDUCATION

Computer Science
Modern Acadmy
📅 2014 - 2019   📍 Cairo , Egypt

EXPERIENCE

Freelance iOS Developer & UI UX Designer
Freelancer.com , Upwork.com
📅 2019 - Ongoing

- I have earned over $1300 in just few months , with five stars feedback from all clients
- Successfully developed , and joined in debugging and fixes with another developers around the world
- Created 11 Screen Order Management App for Admins and Users in a Single Application Starting from UI UX Design to Development and upload to AppStore
- Created over 40 simple apps discussing complex topics on Github

SKILLS

Swift	Combine	SwiftUI	UIKit

GCD&Operations	RESTfull API

Core Animation	Core Data

Core Location	MVC - MVVM - MVP

SOLID Principles & Clean Code

Design Patterns

Dependency Factory Classes

WidgetKit	XCTestCases\UnitTests

AdobeXD - SketchApp - inVision
